OFFICIAL

Good Afternoon Mr Trevor HOLD,

Please find attached PDF document – **'Direction for Prevention & Control Program'** for your urgent attention.

This email is to notify you that treatment for your property located at 477 Gatton-Esk Road, Adare QLD 4343, is planned for Wednesday the 16th of April 2025, between approx.. 8:30am – 3:00pm. Our teams will enter your property to treat for fire ants under Section 261 of the Biosecurity Act 2014. We hope to complete this round of treatment with minimal disruption to your privacy and lifestyle. We acknowledge your property and businesses continue to be situated within the current eradication zone of a legislated biosecurity program. Experienced local officers will be present.

Section 261 of the Biosecurity Act 2014 states:

**261 Power to enter place under biosecurity program**

(1) This section applies to a place situated in an area to which a biosecurity program applies.

(2) However, this section does not apply to the carrying out of an aerial control measure for biosecurity matter under section 294 that is authorised by a biosecurity program in relation to a place.

(3) An authorised officer may, at reasonable times, enter the place to take any action authorised by the biosecurity program.

Notes –

1 See, however, the restrictions on entry under section 259(2).

2 See section 270 for the procedure for entry under this section.

I also need to advise you that under Section 336 of the Biosecurity Act 2014 it is an offence to obstruct a designated officer.

Section 336 of the Biosecurity Act 2014 states:

**336 Obstructing designated officer**

(1) A person must not obstruct a designated officer, or another person or a detection animal helping a designated officer, exercising a power under this Act unless the person has a reasonable excuse.

(2) If a person has obstructed a designated officer, or another Person or a detection animal helping a designated officer, and

# EXHIBIT 34

The officer decides to proceed with the exercise of the power,

The officer must warn the person that –

(a) It is an offence to cause an obstruction unless the person has a reasonable excuse; and

(b) The officer considers the person's conduct an obstruction.

Kind Regards,

NATIONAL Fire Ant Eradication PROGRAM

Roger Morris

# Direction for prevention and control program

Pursuant to section 237 of the *Biosecurity Act 2014*

Direction to take reasonable steps necessary for achieving the purpose of a prevention and control program.

**Prevention and control program name**: National Fire Ant Eradication Program

**Direction number**: NA

**Occupier details**

| First name | Last name |
|---|---|
| Trevor | Hold |

| Property/Building name | Unit/Lot/Street number | Street name |
|---|---|---|
| | 477 | Gatton-Esk Road |

| Suburb/Town/Locality | Country | State | Postcode |
|---|---|---|---|
| Adare | Australia | Queensland | 4343 |

| Mobile | Phone | Email |
|---|---|---|
| 0401 517 906 | | trevor.hold79@gmail.com |

**Place to which the direction applies**

| Property/Building name | Unit/Lot/Street number | Street name |
|---|---|---|
| | 477 | Gatton-Esk Road |

| Suburb/Town/Locality | Country | State | Postcode |
|---|---|---|---|
| Adare | Australia | Queensland | 4343 |

| Real Property Description *(if applicable)* | Property Identification Code (PIC) *(if applicable)* |
|---|---|
| Lot 25 RP161639 | |

**Steps (continued over page)**

In order to achieve the purpose of the prevention and control program I direct the occupier to undertake the following steps.

Ensure all poultry on the above-described property are penned prior to attendance by authorised biosecurity officers from the National Fire Ant Eradication Program, and the animals remain penned for a period of 24 hours after treatment is completed.

You are directed not to water or disturb areas where treatment has been placed until after the expiration of 24 hours.

**Term of direction**

| From date | To date |
|---|---|
| 16/04/2025 | 17/04/2025 |

However the direction may be revoked by an authorised officer earlier or when the stated prevention and control program ceases.

**Offence warning**

A person who fails to comply with a direction given by an inspector under section 237 of the *Biosecurity Act 2014* without reasonable excuse commits an offence under section 238 of the Biosecurity Act 2014. The maximum penalty for an offence under this section is 50 penalty units for an individual or 250 penalty units for a corporation.

**Steps**

In order to achieve the purpose of the prevention and control program I direct the occupier to undertake the following steps.

| |
|---|
| You are directed to ensure all poultry (including chickens, geese, ducks, peafowl, guinea fowl & similar birds) are penned in a manner whereby they do not access and consume applied ant bait hindering that bait effectiveness. |
